

Zbogom, kućo bijela,
Pravilna kocko na moru.

Galeb te spaja s modrinom,

a bor ti kruni krov.

Zbogom, kućo bijela,
s vijencem od dunja na tavanu...

...I žitom u podrumu.

*Mala tvrđavo sreće,
Mir s tobom!*

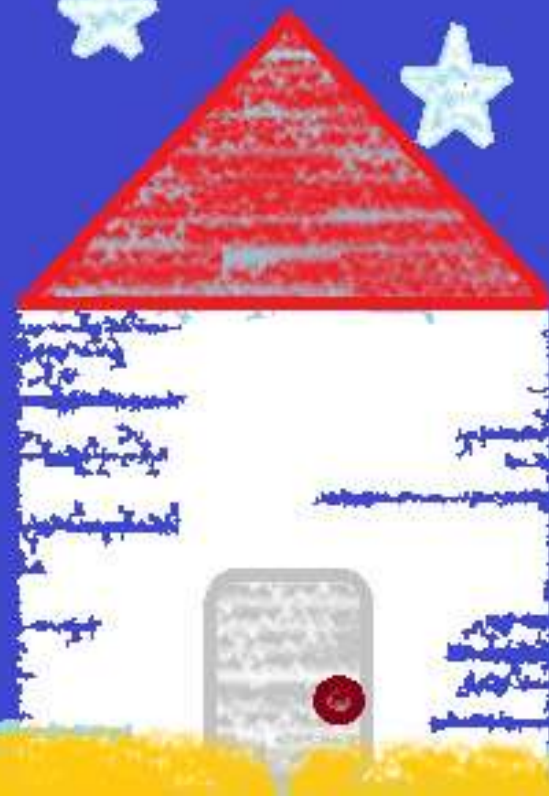

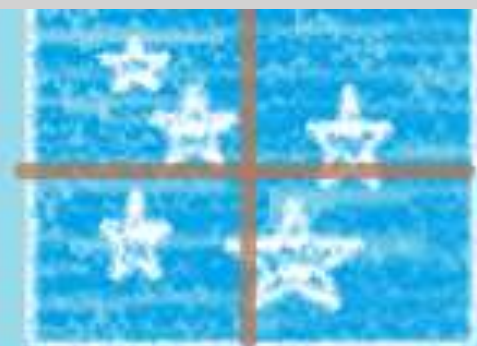

Zora je zračila tvoje sobe...

...A zvijezde se rojile noću...

...U krčagu vode na stolu.

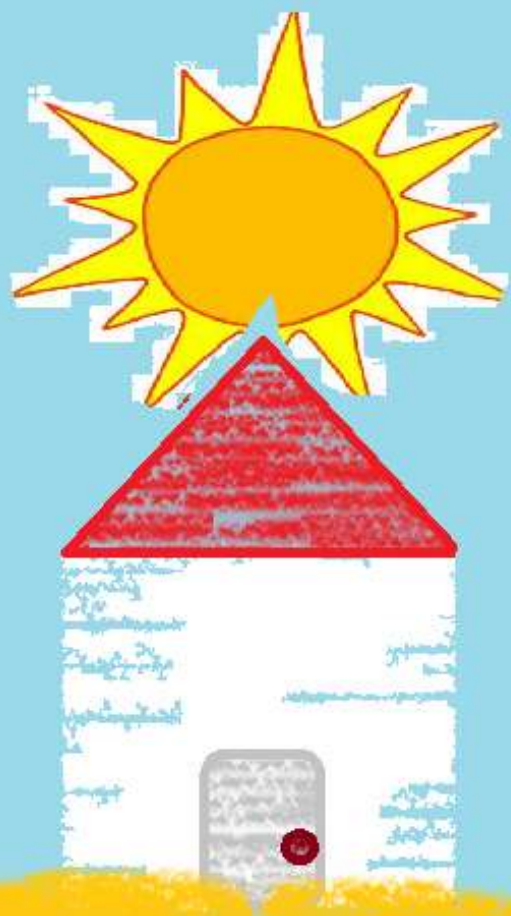

U tebe su ulazili prosci
Sa zastavom i jabukom.

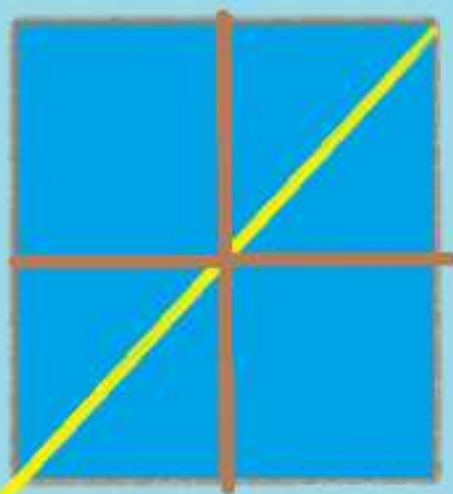

Iz tebe su izlazili mrtvi djedovi
Nošeni s glavom prema moru.

*Podne rasipa iskre dragulja.
Modri bljesak.*

Evo, sunčan trak
Pada u sobu, kroz kapke,
I traži bosa dječaka,
Što se skutrio u kutu.
